

Northon Advocate 18 Dec 2010

Chief Executive Officer

WHANGAREI
DISTRICT COUNCIL

The Whangarei District encompasses the world renowned Tutukaka Coast, a deep water port and expansive farmland and urban development. The Council serves a community of 80,000 from its centrally based offices. As a fast developing District and City in close proximity to Auckland the area offers an excellent quality of life.

The Whangarei District has challenged itself extensively to meet the expectations of its ratepayers to deliver efficient, effective services. The Council is looking for a dynamic person with the drive, skill and passion to make things happen and lead them on the next stage of the journey for the District. With growth and a wide range of major project initiatives underway, encompassing roading, wastewater and economic development, this position offers many opportunities for success.

Key areas of expertise include:

- Visionary resourceful leadership to both ratepayers and elected members
- Strategic thinking and action - creating a sense of place
- Resolving complex challenges
- Building relationships - communication
- Efficiency and effectiveness

It is expected that this person will have considerable experience at CEO or direct report level, from either local government or a sector with a stakeholder and/or political interface.

If you have the commitment and talent to develop Whangarei as a destination we would love to hear from you.
