

The 'Caption' this photograph - 'WIN A \$20 FUEL VOUCHER' Competition has closed.

Photograph from an edition of The Northern Advocate Monday 23rd April 2012.

We are pleased to announce the winners of this most popular competition.

The response was overwhelming with entries of captions even received from overseas. When replying to an overseas entrant, querying that if they won, what use would a fuel voucher be in Japan, they replied that they still have family in Whangarei. Isn't it just great that people living offshore are interested in what is happening politically in our town. Originally the competition was to have one winner, but owing to the immense response we decided to have two prizes.

[Link to all the entries](#) - There are some great captions so have a browse and enjoy some of our communities thoughts. Some may even be from the 'Silent Majority'. Special thanks to all the entrants who made it a success.
