Subject: Re: Debt and Spending Levels & Local Government 2002 Act

Good Morning Stephanie,

Further to our previous correspondence about the actions of Local Councils failing ratepayers badly in their duty of care to be fiscally responsible, Open & Transparent and adhere to true consultation.

Members of Integrity Action Whangarei would like to be given the opportunity to make submissions to the committee reviewing the Local Government 2002 Act, Having been council watchers for many years we have valuable on the ground insight into improving the rules for Local Government governance and central governments work on proposed Northland Unitary Authorities..

Please ask the Minister of Local Government, Hon David Carter to forward to me the necessary documents so that we can make submissions to both documents that are under review.

Also if there is an opportunity to have time with the Minister and the Review Committee we would like the opportunity to speak to our submissions here in Whangarei or in Wellington if necessary.

Kind Regards,

Jeremy Busck,
