Hi Michele

Thank you for your request to speak at tomorrow's council meeting. Standing Order (Standing Orders are the rules by which council governs its meetings) 3.19.1 states:

'Deputations may be received by the local authority or any of its committees provided an application for admission setting forth the subject, has been lodged with the chief executive at least 2 working days before the date of the meeting concerned, and has been subsequently approved by the chairperson.'

In order to speak at the council meeting tomorrow we would have needed to receive your request no later than close of business on Friday 20 August and therefore your request to speak is declined.
