Chair Cr Greg Martin called the meeting to order at 0900hrs and welcomed all.

There were apologies received for both Mayor Morris Cutforth and Cr Phil Halse.

Time still at 0900hrs and it was Item No.1. Minutes of a Meeting of the Infrastructure and Services Committee held 9 May 2012 (Page 1)
Moved by Cr Kahu Sutherland, seconded by Cr Sue Glen and these were duly passed, with no discussion necessary.

Time still at 0901hrs. Item No. 2. Backflow Policy and Code of Practice (Page 5)
Moved by Cr Aaron Edwards, seconded by Cr Brian McLachlan.
These were also accepted with no discussion taking place.

Chair Cr Greg Martin thanked all for attending and concluded the meeting with the time still at 0901hours.

So the meeting was all over in one whole minute.

One has to ask with only 1 minute for the whole months activities;

Were all the Infrastructure staff away on holiday for the previous month?

Were there no infrastructure jobs undertaken last month?

Was there nothing at all to discuss for future months in infrastructure?

Do we need an infrastructure committee?

Where are all the staff from this department going to find work?

Are we getting value for money from this division in council?

How many are on the payroll now with all these gone?

Those present left the chamber, completely exhausted from this so draining meeting, to have a coffee before the next meeting at 1030hrs.
