Hi Steve

Thanks for that, it makes a lot of sense and spells out a clear explanation.

If it is ok with you I was hoping to put our correspondence on my website as a follow up to the letter I sent to Northern Advocate

<http://www.warrenslater.co.nz/docs/lettertoeditor1050.htm> as I normally do, as it does keep people informed of the progress of important subjects.

I will also put your letter to editor of today on my website so people can see that we are in dialogue.

Cheers

Warren
